Dear Ibegbulem Chukwuma Victor

We are delighted to offer you a place at AltSchool Africa. As a result of your outstanding performance on the entrance assessment, you have been selected for admission to the Cloud Engineering program of study at the School of Engineering.

We are proud of your accomplishments and hope you are too. Below, you will

find important information outlining how to confirm your enrolment, what to expect, and what your next steps will be.

1. **Complete** this **survey** to confirm your enrolment
2. Ensure you will have access to a laptop to pursue your coursework
3. Your student ID number will be shared with you, shortly.

At AltSchool Africa, you will have the chance to develop marketable skills that will prepare you for a successful career in tech through hands on learning facilitated by some of the top Software Engineering experts in Africa.

Still have questions? We're here to help. You can send an email to admission@altschoolafrica.com

Once again, congratulations on your admission to the class of 2023. We look forward to having you within our AltSchool Africa community.

See you in class in April.

Signed,
Rachael Onoja
Director of Learning

Signed,
Adewale Yusuf
